Independent auditor's report on financial statements

To the International Organization of Securities Commissions (IOSCO), the International Association of Insurance Supervisors (IAIS) and the Bank for International Settlements (BIS):

We have audited the accompanying financial statements of the **FUNDACION CONSEJO INTERNACIONAL DE SUPERVISION PUBLICA EN ESTANDARES DE AUDITORIA, ETICA PROFESIONAL Y MATERIAS RELACIONADAS**, (hereafter "PIOB" or "the Foundation") which comprise the statement of comprehensive income, statement of financial position, statement of changes in equity and cash flow statement for the year ended 31 December 2010, and a summary of significant accounting policies and other explanatory notes.

Board of Trustees' Responsibility for the Financial Statements

The Board of Trustees is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on these statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO Auditores S.L. inscrita en el Registro Oficial de Auditores de Cuentas nº 51.273 es una sociedad limitada española, es miembro de BDO International Limited, una compañía limitada por garantía del Reino Unido y forma parte de la red internacional BDO de empresas independientes asociadas.

Registro Mercantil de Madrid, Tomo 14.413 Sección 8ª Folio 201, Hoja nº M-238188 (Inscripción 1ª) CIF: B-82387572

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the **FUNDACION CONSEJO INTERNACIONAL DE SUPERVISION PUBLICA EN ESTANDARES DE AUDITORIA, ETICA PROFESIONAL Y MATERIAS RELACIONADAS** as of 31 December 2010, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards.

1 Fundación Consejo Internacional de Supervisión Pública en Estándares de Auditoría, Ética Profesional y Materias Relacionadas

The Public Interest Oversight Board (PIOB) was formally established in February 2005 and is based in Madrid, Spain. It is legally constituted as a Spanish Foundation. The establishment of the PIOB is the result of a collaborative effort by the international financial regulatory community, in the form of the Monitoring Group, working with IFAC to ensure that the standards developed by IFAC's boards in the areas of auditing and assurance, education and ethics, and IFAC's Member Body Compliance Program are operated in a transparent manner that reflects the public interest.

As described in its by-laws, the objective of the Foundation is to strengthen the international financial reporting system through overseeing the standard-setting activities of designated boards of the International Federation of Accountants ("IFAC") and undertaking any other appropriate programs and projects that will contribute to achieving its objective. The Foundation's Board of Directors is responsible for ensuring that the Foundation operates within its mandate and meets its legal and administrative obligations to the Spanish government. A Technical Committee of the Board is responsible for planning and executing the Foundation's oversight program and related activities. Support for the Board of Directors and the Technical Committee is provided by the Foundation's Secretariat based in Madrid, Spain.

In addition to its local regulatory responsibilities, the Foundation is operationally and financially accountable to the Monitoring Group. This forum of international regulators and other public interest bodies, including two of the Foundation's founding organizations, monitors the progress of a 2003 program of IFAC reforms in which the Foundation's Technical Committee performs a key public oversight role. The Monitoring Group also approves the Foundation's annual budget

2 Accounting policies

Financial statements

The Foundation's financial statements have been prepared in accordance with International Financial Reporting Standards.

Accounting estimates

Preparation of the financial statements in accordance with International Financial Reporting Standards requires management to make estimates and assumptions that affect the amounts recorded in the financial statements and in the notes to financial statements. These estimates and assumptions are based on management's best knowledge of existing facts and circumstances as well as any current period impact of actions that the Foundation may undertake in the future. Actual results may differ from those estimates.

The financial statements are prepared in Euros.

Measurement Base

The statements of comprehensive income, financial position, changes in equity and cash flows have been prepared on an accrual basis with all assets and liabilities valued at historical cost, with the exception of foreign currency forward contracts acquired for cash flow hedging purposes, which are measured on a fair value basis.

Foreign currency translation

Foreign currency transactions are accounted for in Euros and translated at the rates of exchange prevailing at the transaction date. Exchange gains or losses on subsequent settlement of related balances are recognised in the income statement when they arise.

Financial instruments denominated in foreign currencies at the balance sheet date are translated to their Euro equivalent at the prevailing foreign exchange rate. Foreign exchange differences arising on translation are recognised in the income statement.

Revenue and cost recognition

Under a revised agreement dated January 2008, the International Federation of Accountants has committed to fund the operating expenses of the Foundation to a limit of EUR 1,317,000 per year, adjusted for inflation. This replaces a previous commitment to provide up to US \$1,500,000 per year, adjusted for both inflation and foreign currency exchange movements. Revenue from IFAC is recognised on an accrual basis. Any revenue amounts in excess of annual operating expenses are deferred and recognised as revenue of the following year.

In September 2009 the European Commission decided to award a grant to the Foundation for the period 2010-2013 to support the Foundation's work programme. The European Commission shall contribute a maximum of € 300,000 or a 22% of the total eligible costs of the program per year. This revenue is recognized on an accrual basis based on the total eligible costs of the program. The Monitoring Group decided in October 2010 that the funds received from the European Commission should replace IFAC's funding.

Revenue is denominated in Euros.

Operating costs are recognised as an expense when incurred.

Cash and cash equivalents

The Foundation's policy is to present cash and temporary investments having a term of three months or less from the acquisition date as cash and cash equivalents.

Capital assets

Capital assets are recorded at cost. Any impairment in the net recoverable amount as compared to the net carrying amount is recognized immediately. Gains and losses on disposal are determined by comparing proceeds with carrying amounts and are included in operating surplus. Repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Capital assets are depreciated over their estimated useful lives according to the following methods and annual rates:

	Methods	Rates
IT Equipment and Software	Straight-line	25%
Furniture	Straight-line	20%

Cash Flow Statement

The following are definitions of the terms used in the cash flow statement:

Cash and cash equivalents comprise cash on hand, current bank balances and short term deposits that can be converted to cash within two working days.

Operating activities include all transactions and other events that are not investing or financing activities.

Investing activities are those activities relating to the acquisition, holding, and disposal of fixed assets and investments.

Taxation

On 29 March, 2006, the Spanish Parliament passed legislation (Ley 4/2006, de 29 de Marzo, de adaptación del régimen de las entidades navieras en función del tonelaje a las nuevas directrices comunitarias sobre ayudas del Estado al transporte marítimo y de modificación del régimen económico y fiscal de Canarias) to exempt the Foundation from Spanish income tax.

3 Expenses by Activity

(in Euros)	2010	2009
Board related operating costs		
Oversight Program	666,408	709,500
Communications and External Relations Program	320,291	153,161

Disposals	-	-	-	-
Balance, end of year	(8,658)	(4,292)	(12,950)	(4,430)
NET, END OF YEAR	14,733	12,141	26,874	17,010

11 Revenue received in advance

Revenue received in advance at 31 December 2010 of € 300,000 (2009 € 53,000) represents IFAC funding received in 2010 that has been replaced by European Commission funding. These funds have been designated to fund 2011 activities..

12 Endowment funds

To meet the minimum legal capital requirements established by Spanish law, the founders (see note 1) collectively provided an initial endowment of thirty thousand Euros (€ 30,000).

13 Board

Positions on the Board are voluntary and there is no honorarium paid for any position held. The following persons were members of the Board during the year:

Dr. Stavros Thomadakis	Chairman
Mr. Antoine Bracchi	Board member
Mr. David A. Brown, Q.C.	Board member
Mr. Fayezul Choudhury	Board member
Mr. Michael Hafeman	Board member
Mr. Toshiharu Kitamura	Board member
Mme. Sylvie Mathérat	Board member
The Hon. Aulana L. Peters	Board member

14 Government Assistance

As part of the localisation agreement in Madrid, the Foundation receives the right from the Spanish authorities to use a portion of the premises located at Oquendo, 12. This use is free of charge, except for non-structural maintenance expenses (electricity, water, elevator maintenance, etc). Based on the final agreement signed in September 2007 to establish a maximum yearly charge, the limit to allocable expenses has been set at the lower of thirty-three percent of actual costs or € 38,000. The latter amount is subject to annual adjustments for changes in the Spanish Consumer Price Index.

15 Subsequent Events

In the opinion of the management there are no significant events that need to be reported.
