## Frequently Asked Questions

### **Do I have to register on the PIOB-SSB NomCo website to submit a nomination?**

Yes. You have to register and create your account. Your application will be saved in your account, and you can access it at any time.

### **Why do I need to create an account on the PIOB-SSB NomCo website?**

Your account will save and store your application(s). You can use your previously submitted application(s) to apply again by using the “copy” and “edit” functions. You may also delete any application(s) or drafts that you no longer need.

### **I applied previously for the IAASB or IESBA membership, can I transfer my previous application(s) to the PIOB-SSB NomCo website?**

No. This is a new database created by the PIOB to support the nominations process run by the Standard Setting Boards Nominations Committee. All applications should be submitted for 2023 vacancies. Once you have an account on the PIOB-SSB NomCo website, your applications are saved and can be copied in subsequent years.

### **If I am a current member and applying for a second term of service, do I need to fill out the online application?**

Yes. All current members who are seeking re-appointment for a second term of service have to submit their application. There is a question in the form about renomination.

**If I don't have a nominating or sponsoring organization, can I apply for IAASB or IESBA membership?** Yes. Applications from individuals who self-nominate are welcome.

### **Would my travel costs be covered, and would I be eligible for a stipend?**

*If needed, the IAASB or IESBA will reimburse the costs of attending their in-person meetings, according to the Travel Expense policies of each Standard-Setting Board.*

*Successful candidates without a current employer or another organization able to provide financial support will be eligible for an annual stipend. The stipend will be commensurate with the role and responsibilities and comparable to other international standard-setting organizations.*
