

The PIOB concludes on the IESBA's "Strategy and Work Plan 2024-2027"

Madrid, 11 April, 2024

The Public Interest Oversight Board (PIOB) has concluded that the "[International Ethics Standards Board for Accountants' \(IESBA\) Strategy and Work Plan 2024-2027](#)" has been developed in a manner consistent with agreed due process and is responsive to the public interest.

The PIOB has overseen the standard-setting process throughout the full development of the strategy and work plan. The PIOB conclusion follows a written statement from the IESBA and confirms that the strategy and work plan has been developed in a manner consistent with agreed due process, and that it is responsive to the public interest, informed by the concepts and principles of the Public Interest Framework.

For more information

The recommendations and the public interest issues, raised by the PIOB and provided to the IESBA related to the strategy and work plan throughout the standard-setting process, are available on the [PIOB website](#).

The [Public Interest Framework](#) was issued by the Monitoring Group (MG), as part of the MG Recommendations.
