

IOSCO Workplan

MACAM CONFERENCE

IOSCO's Mission and Thematic Areas

Thematic Areas:

Strengthening Financial Resilience

Supporting Market Effectiveness

Protecting Investors

Addressing New Risks in Sustainability and Fintech

Promoting Regulatory Cooperation and Effectiveness

Work Plan

Strengthening Financial Resilience

- Enhancing capital market resilience amidst global financial complexity

Supporting Market Effectiveness

- Safeguarding market resilience amidst volatility and economic shifts

Protecting Investors

- Upholding retail investor protection (e.g., combatting online retail fraud with enhanced cybersecurity measures)

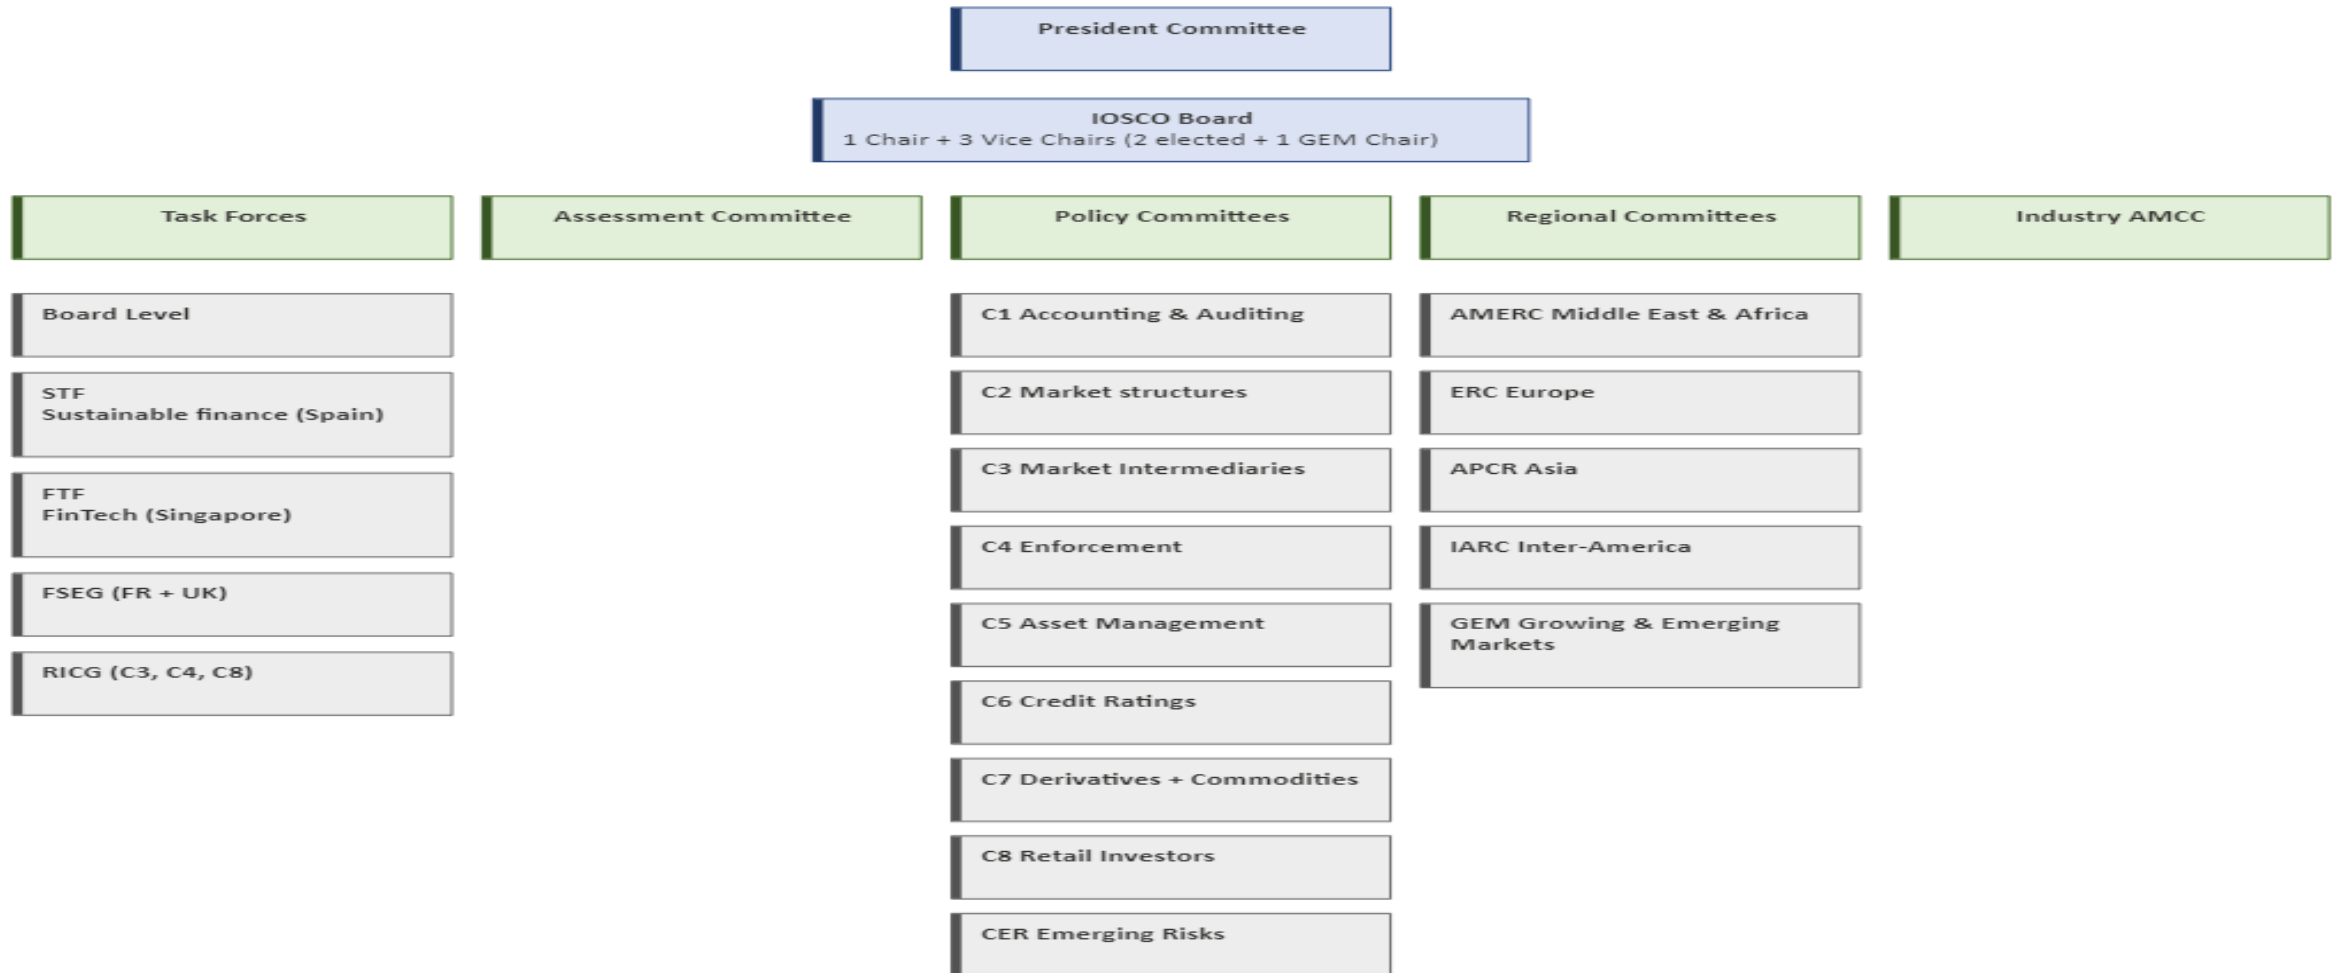

Addressing New Risks in Sustainability and Fintech

- Sustainability: Endorsement of ISSB standards and feedback on IAASB and IESBA exposure drafts
- Fintech: Focus on Crypto-Asset Roadmap and Recommendations in 2023

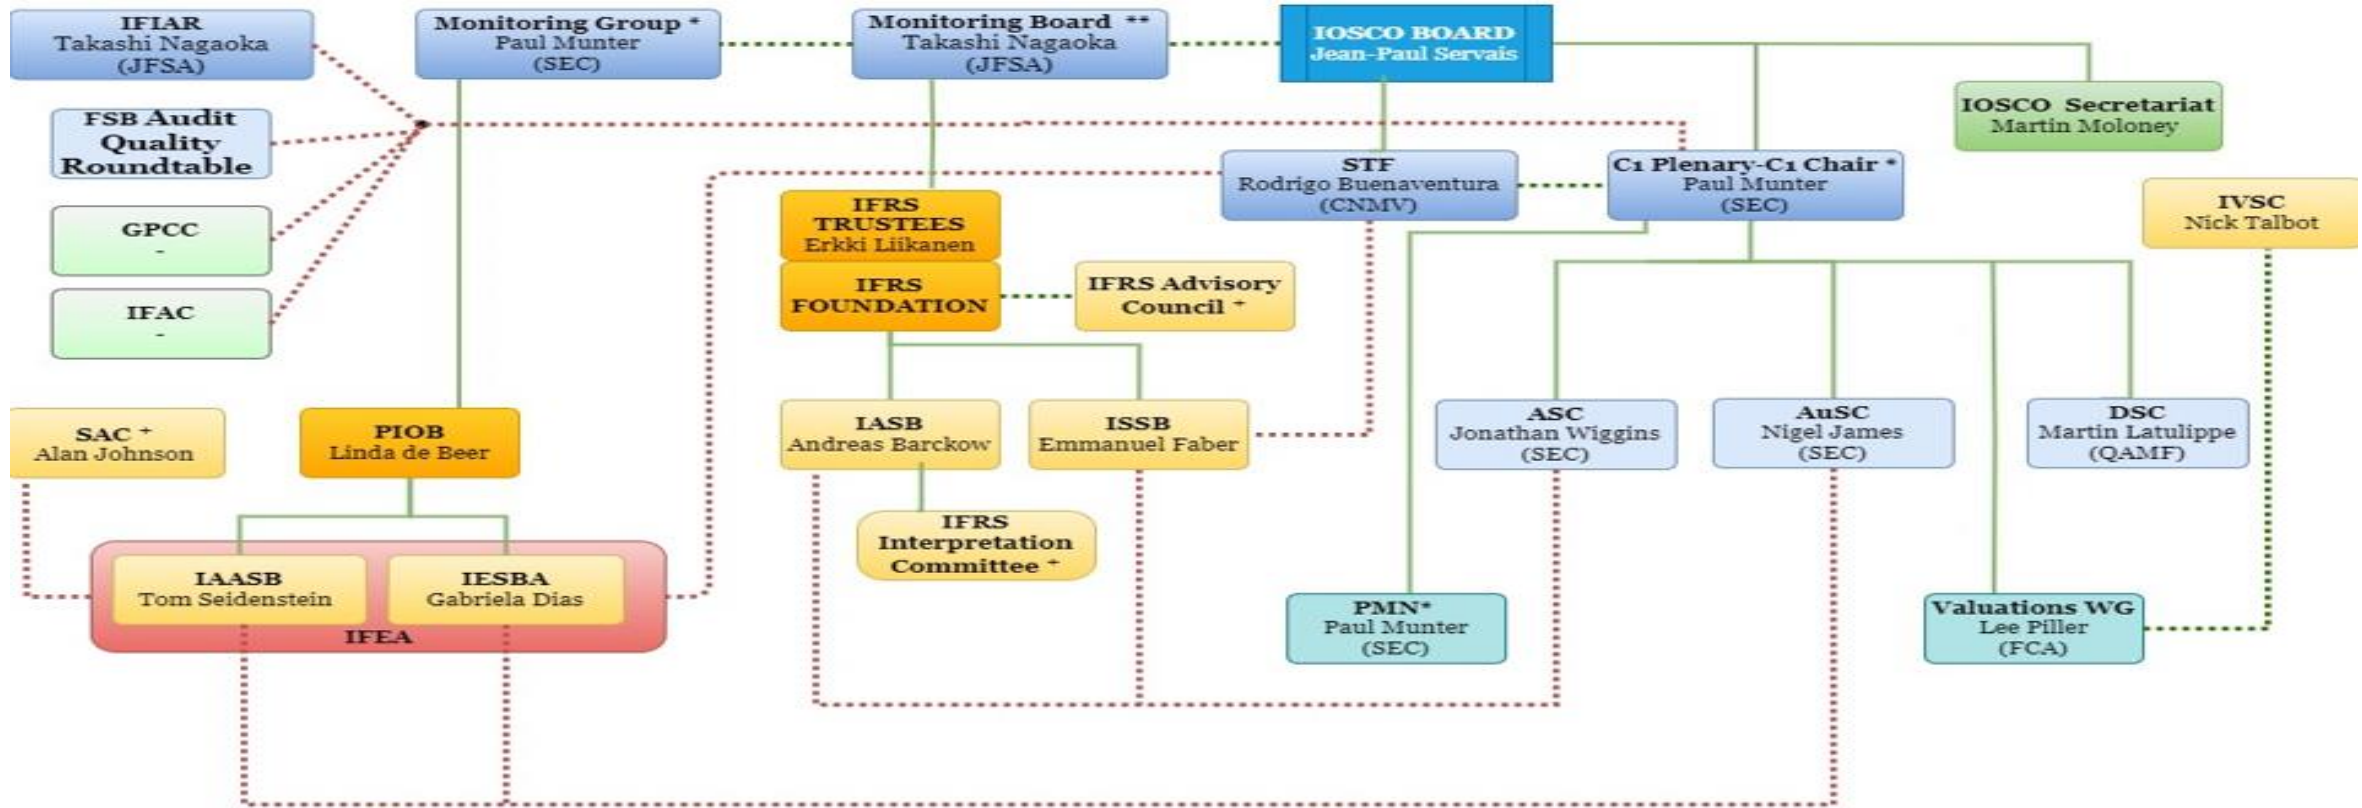

Promoting Regulatory Cooperation and Effectiveness

- Cooperation: Strengthening multilateral memorandum of understanding (MMoU)
- Inclusiveness Initiatives: New networks
- Capacity Building: Development of enhanced capacity building program
